

AVID ISLAND

MATERIALS:

- Power Point/Prezi or large poster
- Computers with internet access
- Printer
- Markers
- Glue
- Scissors

DESCRIPTION:

In groups, you will create your own island following the requirements below. Power Points/Prezis or large posters are due on _____ for presentation to the class.

YOU MUST:

- Name your island.
- Choose a shape for your island and draw a representation.
- Create at least 8 features for the island. For example; rivers, mountains, lakes, and give them names
- Write at least five laws for the island.
- What is the job for each member of your island?
- Create a flag for your island with a motto/slogan for your island.
- Create a clap/cheer for your island.
- Create currency (money) for your island.
- What is the Island's most celebrated holiday on your island? How is it celebrated?
- Add anything else that would make your island unique or interesting .
