

# BUILD A BRIDGE

## MATERIALS:

- Copy Paper
- Two Chairs
- Marker

## DESCRIPTION:

Students create a bridge using only copy paper.

## DIRECTIONS:

- Give each group a stack of copy paper.
- Have each group place two chairs 24" apart.
- Each group works together to create a bridge that spans the 24" between two chairs using only copy paper.
- Upon completion, the bridge must support one marker placed in the center.
