

COMMERCIAL TIME

MATERIALS:

- Any object from the classroom

DESCRIPTION:

In a limited amount of time, students work together to create a commercial.

DIRECTIONS:

- Facilitator chooses an object from the classroom
- Students are put into small groups
- Groups work for seven minutes to prepare a 30 second commercial for the object that was chosen for them.
- Groups present their commercials to the class.
- If time permits, have groups switch objects and prepare for a new commercial
